Selina Maria Weißkircher

UX Designer

Vienna, Austria

Understanding the individual interests of business and users by listening to, comprehending, and analysing information with great detail is enjoyable to me and a challenge I pleasantly commit myself to.

Work Experience

UX Designer and Usability Expert
Vienna
Fonds Soziales Wien

PLACEHOLDER TEXT

PKA-Apprenticeship
Vienna
Metatron Pharmacy
2016-2018

As a learned PKA (pharmaceutical merchandise assistance) I gathered knowledge in medicine, natural sciences, accounting and more. Working in a communicative team and customer contact have been my key takeaways.

Education

BA Degree Theater-, Film- and Mediascience
University of Vienna
2018-2023

Learned research methods on a variety of topics with a specialization in Mediascience regarding gaming theory. The topic of my bachelors thesis is an Analysis of the Relation Luck and Skill in Video Games.

Certification in User Experience Design
Berlin (remote)
2021-2022

During this course from Career Foundry I developed core skills regarding UX and UI Design. I created several prototypes, for example BluePigg, a self-budgeting application.
